

Wine & Sparkles Collection 2017 | 2018

Food and wine matches are all about finding a balance. At Heritage Portfolio, we are as passionate about wine as we are about food. We put all our passion and knowledge into providing you with the best experience of both. We work closely with selected producers and have painstakingly handpicked them based on their lovely products.

Familia Zuccardi, Argentina

Alberto Zuccardi founded the winery in 1963, challenging the tradition. He sought to introduce Argentinian wine to the world stage, and it is this spirit that still drives the family. Today, a combination of three generations works together, to create their unique wines.

Iona Wines, South Africa

Iona's vineyards are located in the Highlands, a unique sub-region of Elgin. How appropriate for Scotland! The climate and soil provide an utterly stunning Sauvignon Blanc. Andrew Gunn began his wine life in early 1997 and has enjoyed one success after another.

Nyetimber Estate, England

With the same chalk soil as the northern French region and a similar climate, the classic Champagne varieties thrived in their West Sussex vineyard sites. This is the only producer to make superb quality sparkling wine from estate grown fruit. For them it is all about quality, quality and then again quality.

Eberle Winery, USA

Gary Eberle began his career in the wine industry in 1973, and he co-founded Paso Robles as an Appellation in 1980. Named after its local oak trees, Paso Robles is one of the most up and coming wine regions in California. They have risen to fame with wines that deliver exceptional quality combining the best of the Old and New world!

Pommery Champagne, France

Thierry Gasco – Chef de Cave and Le Figaro's 'Man of the Year' – oversees the whole operation from vine, to press, to bottle, producing thousands of bottles a year, aged in an 18km network of underground cellars. Consistent top quality, together with the variety and innovation afforded by nine different crus, from the Brut Royal to the divine Cuvée Louise, is what sets Pommery apart from other Grandes Marques

Bodegas Sumarroca Penedès, Spain

Passion for the land, a perfect combination between tradition and innovation! That's how family Sumarroca describe their philosophy; true to their word they produce amazing Cava of fabulous quality, character and balance!
